San Antonio, TX**

Project Title	Family SAVE Program
Contact Information	Dennis Campa 115 Plaza De Armas, Suite 210 San Antonio, TX 78205 (210) 207-7209
AFI Grant Amount	\$500,000
Nonfederal Support	\$500,000
Project Period	September 2005 – September 2010
Project Description	The City of San Antonio will build upon its existing AFI-funded IDA programs and offer 212 additional IDAs for homeownership. Participants can save up to \$1,000 and receive a \$4 to \$1 match. Clients will be recruited from among a broad network of city human service agencies as well as other programs in the area. Financial literacy training will tie into the city's Family Economic Success Program, which offers self sufficiency training to individuals and families in Bexar County.
Target Population	San Antonio, Texas.
Grantee/Collaborative Description	The City of San Antonio's Department of Community Initiatives will head this project. Among the core partners is Neighborhood Action Department, which will offer housing counseling and other assistance to enable enrollees to realize their home asset purchase. Additionally, the city is a member of the San Antonio IDA Coalition and thus maintains relationships with a broad network of relevant agencies. Financial institution partners include Frost Bank, Security Services Federal Credit Union, South Side Credit Union, and Wells Fargo.
